9.1 CRYPTOCEAN will only make Token Sale via the Website and authorized exchanges listed at the Website. To the extent that any third party website or service, not listed among the authorized exchanges at the Website, takes Exchanges to CRYPTOCEAN, provides Tokens during the Token Launch, or facilitates Exchanges to CRYPTOCEAN or the provision of Tokens in any way during the Token Launch, such third party websites or services are not in any way supported, endorsed or sanctioned by any CRYPTOCEAN Party and have no relationship in any way with CRYPTOCEAN.

Any detected double spend will result in no Tokens being provided to the relevant party. CRYPTOCEAN reserves the right to inform about such fraud actions the relevant prosecution and investigation authorities.

11.2 All the undistributed Tokens will be revoked in the end of Token Launch.

## **12. WARNING:**

Do not participate in this Token Launch if you are not familiar with or do not understand cryptocurrencies, cryptographic tokens, and blockchainbased software systems.

12.1 Only parties having significant experience with, or an understanding of, the use and intricacies of cryptocurrencies, cryptographic tokens, and blockchainbased software systems should participate in the Token Launch.

12.2 While CRYPTOCEAN will provide general guidelines in relation to use and storage of Tokens, you should have a functional understanding of storage and transmission mechanisms associated with cryptocurrencies, cryptographic tokens, and blockchainbased software systems. While CRYPTOCEAN will be available to assist you during and after the Token Launch, no CRYPTOCEAN Party will be liable for any Loss arising out of, or in any way connected to any actions taken by, or any omissions by any donor.

**13. WARNING:** Token price may experience extreme volatility

13.1 Cryptographic Tokens or cryptocurrencies that possess value in public markets, such as BTC, have demonstrated extreme fluctuations in price over short periods of time on a regular basis. You must be prepared to accept similar fluctuations in Token value. Such fluctuations are due to market forces and represent changes in the balance of supply and demand. CRYPTOCEAN cannot and does not guarantee any market liquidity for Tokens. Additionally, due to different regulatory requirements in different jurisdictions, and the inability of citizens of certain countries to open accounts at exchanges located anywhere in the world, the liquidity of Tokens may be markedly different in different jurisdictions.

13.2 By participating in the Token Launch, making Exchanges to CRYPTOCEAN, or receiving and holding Tokens, you acknowledge and agree that you fully understand that Tokens may experience volatility in pricing and liquidity, and that, to the extent permitted by applicable law, you agree that no other party (including, without limitation any CRYPTOCEAN Party) may be held liable for any Loss arising out of, or in any way connected your participation in the Token Launch, Exchanges to CRYPTOCEAN, or receiving and holding Tokens.

**14. WARNING:** Receiving Tokens has a number of risks

14.1 Tokens carry risks.

Prior to receiving Tokens, you should carefully consider such risk and, to the extent necessary, consult with an appropriately qualified advisor. If any of the following risks are unacceptable to you, you should not accept Tokens. By participating in the Token Launch, making Exchanges to CRYPTOCEAN, or receiving and holding Tokens, you acknowledge and agree that you understand the risks described below and that, to the extent permitted by applicable law, you agree that no other party (including, without limitation any CRYPTOCEAN Party) may be held liable for any Loss arising out of, or in any way connected with your participation in the Token Launch, Exchanges to CRYPTOCEAN, or receiving and holding Tokens or such risk.

14.2 Dissolution of CRYPTOCEAN due to a diminishment in the value of other cryptocurrencies, cryptographic tokens, and blockchainbased software systems.

Participants are using cryptographic tokens or cryptocurrencies to participate in the Token Launch, make Exchanges, or receive and hold Tokens. While some of these may have been relatively stable, it is possible that their values may drop significantly in the future, which may deprive CRYPTOCEAN of sufficient resources to continue to operate.

14.3 Regulatory action in one or more jurisdictions.

Cryptocurrencies, cryptographic tokens, and blockchainbased software systems have been the subject of regulatory scrutiny by various regulatory bodies in numerous jurisdictions. CRYPTOCEAN and Tokens could be impacted by one or more regulatory inquiries or regulatory actions, which could impede or limit the ability of CRYPTOCEAN to develop CRYPTOCEAN.

14.4 Insufficient interest in CRYPTOCEAN.

It is possible that CRYPTOCEAN will not be used by a large number of individuals, businesses and other organisations and that there will be limited public interest in the creation and development of its functionalities. Such a lack of interest could impact the development of CRYPTOCEAN. CRYPTOCEAN will contract with developers to help build CRYPTOCEAN, and is working with third party developers

around the world to create an interest in CRYPTOCEAN. However, CRYPTOCEAN cannot predict the success of these development efforts or the efforts of other third parties.

14.5 CRYPTOCEAN, as developed, will not meet Token holder expectations.

Participants acknowledge that CRYPTOCEAN is currently under development and may undergo significant changes before release. Participants acknowledge that any expectations regarding the form and functionality of CRYPTOCEAN held by the Participant may not be met upon its release for any number of reasons, including a change in the design and implementation plans and execution of the implementation of CRYPTOCEAN.

14.6 CRYPTOCEAN may never be completed or released.

The Participant understands, that while CRYPTOCEAN will make reasonable efforts to complete CRYPTOCEAN, it is possible that an official completed version of CRYPTOCEAN may not be released and there may never be an operational CRYPTOCEAN.

14.7 Theft.

Hackers or other groups or organisations may attempt to steal Tokens.

14.8 Ethereum mining attacks.

The Participant understands and accepts that, as with other cryptocurrencies, cryptographic tokens, and blockchainbased software systems, the Ethereum blockchain used for CRYPTOCEAN Token Launch campaign is susceptible to mining attacks, including but not limited to doublespend attacks, majority mining power attacks, “selfishmining” attacks, and race condition attacks. Any successful attacks present a risk to CRYPTOCEAN Token Launch campaign, expected proper execution and sequencing of Token transactions, and expected proper execution and sequencing of contract computations.

14.9 Weaknesses or exploitable breakthroughs in the field of cryptography.

Cryptography is a rapidly developing field with advances in code cracking and technical advances, which could present a risk to CRYPTOCEAN Token Launch campaign and potentially result in the theft or loss of Tokens. To the extent possible, CRYPTOCEAN intends to update the protocol underlying CRYPTOCEAN to account for any advances in cryptography and to incorporate additional security measures, but it cannot predict the future of cryptography or the success of any future security updates.

## **15. CANCELLATION AND REFUND POLICY**

15.1 By participating in the crowdfund, you acknowledge that CRYPTOCEAN is not required to provide a refund for any reason, and that you will not receive money or other compensation in lieu of a refund, and you consent to no right of withdrawal from the crowdfund.

## **16. All Exchanges to CRYPTOCEAN are final and nonrefundable**

## **17. TAXATION**

17.1 CRYPTOCEAN makes no representations concerning the tax implications of participating in the Token Launch, making Exchanges to CRYPTOCEAN, or receiving and holding Tokens.

17.3 By participating in the Token Launch, making Exchanges, or receiving and holding Tokens, to the extent permitted by applicable law, you agree that no other party (including, without limitation any

CRYPTOCEAN Party) may be held liable for any Loss arising out of, or in any way connected to, any tax liability you may incur in connection with your participation in the Token Launch, Exchanges to CRYPTOCEAN, or receiving and holding Tokens.

## **18. PRIVACY**

18.1 Except as otherwise provided in these terms and conditions, Privacy Policy or on the Website, CRYPTOCEAN will not publish any identifying information relating to you without your prior written consent.

18.2 Participants may be contacted by CRYPTOCEAN regarding the Token Launch before, during and after the Token Launch.

18.3 CRYPTOCEAN may request additional information from Participants if such information is required by applicable laws (see clause 23) or required to provide any technical support requested by the donator.

## **19. INTELLECTUAL PROPERTY**

19.1 Unless otherwise stated, the content and information on the Website are the property of CRYPTOCEAN Parties or other parties. You may not download, reproduce, or retransmit any information, other than for noncommercial individual use. This Website is to be used by the Participants only. You, the Participant are granted a limited, nontransferable, revocable license to view and copy the information solely for personal use only, subject to clause 19.2.

## **24. FORCE MAJEURE**

No CRYPTOCEAN Party is liable in any way for failure to perform due to any Force Majeure Event. By participating in the Token Launch, making Exchanges to CRYPTOCEAN, or receiving and holding Tokens,

## **25. COMPLETE AGREEMENT**

25.1 These terms and conditions together with any terms and conditions published from time to time on the Website, set out the entire understanding between each Participant and CRYPTOCEAN and any other CRYPTOCEAN Party in relation to your participation in the Token Launch, Exchanges to CRYPTOCEAN, or receiving and holding Tokens.

25.2 To the extent this document conflicts with the Website or any other document, including but not limited to the Prospectus, this document prevails.

## **27. NO WAIVER**

The failure of CRYPTOCEAN to require or enforce strict performance of any provision of these terms and conditions or CRYPTOCEAN's failure to exercise any right under these terms and conditions shall not be construed as a waiver or relinquishment of CRYPTOCEAN's right to assert or rely upon any such provision or right (or any other provision and/or right contained this document in its entirety, as the case may be) in that or any other instance. The express waiver by CRYPTOCEAN of any provision, condition, or requirement of these terms and conditions shall not constitute a waiver of any future obligation to comply with such provision, condition or requirement. Except as expressly and specifically set out in these terms and conditions, no representations, statements, consents, waivers, or other acts or omissions by CRYPTOCEAN shall be deemed a modification of these terms and conditions or be legally binding.

28.2 Without limiting clause 28.1, CRYPTOCEAN does not warrant that the process for participating in the Token Launch, making Exchanges to CRYPTOCEAN, or receiving and holding Tokens will be uninterrupted or errorfree.

## **29. EXCLUSION OF LIABILITY**
